POLICY INFORMATION: Your insurance is covered under master policy number **SJYBU 40068 - A&B** specially arranged for **USIT School Tours** by Travel Insurance Facilities PLC and insured by Union Reiseversicherung AG. Cover is provided for each passenger who is shown as having paid the insurance premiums and whose name is shown on the premium receipt issued by **USIT School Tours**. This insurance wording is a copy of the master policies and is subject to the terms, conditions and exclusions of the master policies. In the event that you have paid for a trip on behalf of other individuals not insured on this policy please be advised that your policy only provides cover for your proportion of trip costs, as opposed to the amount you have paid on behalf of others.

ACCURATE & RELEVANT INFORMATION: You have a duty to take reasonable care to answer questions fully and accurately, and that any information you volunteer is not misleading. This applies both when you take the policy out and at any time during the policy period. If you do not do so, we reserve the right to void your policy from inception. In the event that it becomes necessary to do this, we will give you seven days' notice of cancellation of the policy by recorded delivery to you at your last known address.

Because an insurance policy can only provide cover in respect of accident, illness, loss or damage for an event/occurrence which is sudden, unforeseen and beyond your reasonable control, you must also tell us if you are aware of any circumstances at the time you purchase this insurance, or any time afterwards, which could possibly result in you having to make a claim; otherwise you may not be covered. You can do this by calling **0818 245 255** or **44 (0) 203 824 0746**. We reserve the right to charge an additional premium, amend the policy terms, or decline to offer cover if we feel that the information you give us changes our assessment of the risk involved.

DISCLOSURE OF YOUR MEDICAL CONDITIONS

Your policies may not cover claims arising from your medical conditions. You need to tell us anything you know that is likely to affect our accepting you for cover. So that we can ensure you are provided with the best cover we can offer please read the following questions carefully:

If you have answered yes to the questions on the left, you must tell us, in order to obtain cover for your medical condition(s), although an increased premium or excess may be required to do so.

Should we require any additional premium, and you accept our offer, this should be paid to Travel Administration Facilities either by credit card or cheque, made payable to URV, and sent within 14 days of our offer. If your existing medical condition would require an additional premium to be covered and you choose not to declare it we reserve the right to decline a claim relating to this condition, unless otherwise agreed by us in writing. Should you decide not to pay the additional premium the declared medical condition will not be covered. Full confirmation of our terms and conditions will be sent out to your address after your call. Any additional medical conditions not declared to us will not be covered.

We are unable to provide cover for any claims arising as a result of an existing medical condition of a non-travelling close relative, the person you are intending to stay with, or a close business associate or friend, or any known or recognised complication caused by the existing medical condition.

as soon as possible. We will advise you what cover we are able to provide for your change in health, after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

We do not provide any cover for:

- Claims caused by an existing medical condition of a non travelling close relative (other than parent or guardian), the person you are intending to stay with, a close business associate or friend, or any recognised complication caused by the existing medical condition.
- Any circumstances that are not specified in your policies.

WHEN YOUR TWO POLICIES START AND END: The cover for Policy A, as described under section A of the pre-travel policy, start from the start date of cover shown on your insurance certificate, after the policy was issued and ends when you leave home to start your trip.

The cover under policy B starts when you start your trip and ends when you complete your trip. Alternatively, cover will end upon expiration of the policy, whichever is the first. **No further trips are covered.**

EXTENSION OF PERIOD: In the event of your death, injury or illness or that of anyone travelling with you or because of delay or failure of public transport services you are unable to complete the trip before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for you to complete the trip.

CRITERIA FOR PURCHASE: This insurance is sold on the understanding that you and anyone travelling with you and named on the insurance certificate:

- Have not started the trip.
- Travel must take place within 1 year of the start date of your policy.
- Are a resident of the Republic of Ireland or Northern Ireland.
- Are not travelling specifically to receive medical treatment during your trip or in the knowledge that you are likely to need treatment.
- Will take all possible care to safeguard against accident, injury, loss or damage as if you had no insurance cover.
- Are not taking a trip which involves a cruise.
- Are travelling with the intention to return to the Republic of Ireland or Northern Ireland within your trip dates unless an extension has been agreed with us and we have confirmed in writing.
- Are not travelling against the advice of your doctor or a medical professional such as your dentist.

HOW YOUR TRAVEL POLICIES WORK:

Your policy wordings: Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. Please take the time to read and understand it straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered). **Please NOTE: cover is only available for circumstances specified in the policy and if your circumstances do not fit that criteria then there is no cover in place.**

Cancelling your policies: You have a 'cooling off' period where, should you decide that you find that the terms and conditions do not meet your requirements, you can return the policy, insurance certificate and any other relevant documents to **USIT School Tours** within 14 days of purchase for any refund to be considered. **Should you wish to cancel your policy outside of the 14 day cooling off period and we agree to this, the following cancellation terms will be applied: In the event you have not travelled and are not claiming on the policy, a refund of 50% of the policy premium and any additional premium applied to your existing medical conditions will apply. If you are intending to claim, or have made a claim (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium. If you have travelled but returned early from your trip, we will not under any circumstances refund any proportion of your policy premium.** Once the policy has been issued you must understand that no alterations and/or additions to the printed terms and conditions of your policy are valid unless made in writing by us. We reserve the right to give 7 days notice of cancellation of this policy by recorded delivery to you at your last known address. In this case we will refund to you the pro-rata proportion of any unexpired premium you have paid.

Be cautious: This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage **as if you had no insurance cover.**

Medical cover: Your travel policy is not private health insurance, in that it only covers unavoidable emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. It is also recommended that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. You will then need to declare your existing medical condition and have it

accepted by Travel Administration Facilities for it to be eligible for cover under your policy. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. **Cover will not be given if travel is against the advice of your doctor or a medical professional such as your dentist.**

EHIC: The European Health Insurance Card (EHIC) allows you (provided you are an Irish or UK resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.ie for the card is free and it's valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil

Your excess: Your policy carries an excess and this is the amount you have to contribute towards each claim. All excesses shown for this policy are payable by each insured-person, for each incident giving rise to a separate claim. Your excess may be increased to include existing medical conditions (including anything directly or indirectly related to that condition) confirmed in writing by Travel Administration Facilities. The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition. If an excess waiver has been paid then standard excess is not applied, however any increased medical excess is still applied in the event of a claim resulting from the condition/s it is attached to.

Other policies: Your policy will not make any payment for any event that is more specifically covered by another insurance policy, and will only pay a proportionate amount of a claim where there is other insurance in force (such as Home Contents and All Risk insurance policies) covering the same risk, and we will require you to provide details of such other insurance.

WHAT TO DO IN CASE OF A MEDICAL EMERGENCY ABROAD

In case of serious emergency first call an ambulance using the local equivalent of a 999 call. While you wait for the ambulance contact our medical assistance service which is open 24 hours a day and 7 days a week to offer you advice in this emergency situation. We strongly suggest you put their telephone number **+44 (0) 203 829 6585** into your mobile phone before you travel so that it is to hand should you need it. Speak to the ambulance driver and get details of the hospital you are being taken to so that our medical assistance service's doctor will be able to obtain a medical report at the earliest possible opportunity.

What the medical assistance company needs from you - when you call our medical assistance service in an emergency you need to have some basic information for them to hand:

- your telephone number so you can be contacted on in case you are cut off;
- the name and age of the patient and as much information about the medical situation as you are able to provide;
- the name of the hospital, the ward, the treating doctor and the telephone numbers if you have them;
- tell them that you have a **USIT School Tours** policy, the premium receipt number, the date you bought it and your booked travel dates;
- the patient's Irish GP details, name, address and phone number, in case they need to obtain information on current medical conditions and treatment.

Minor illness or injury - If you need to see a doctor in Europe or Scandinavia then ask your hotel reception or tour operator representative for the address of the nearest public medical facility. In Europe you should show them your EHIC card, medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the policy excess will be reduced to NIL. You will only be covered for the cost of private medical treatment in these countries if this is approved in advance by our **medical assistance service on +44 (0) 203 829 6585**. Elsewhere it is advisable to seek advice on where to go for treatment from our medical assistance service if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin your trip by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for our medical assistance service to move you to a more suitable facility.

How to pay for your treatment - Outpatient bills for less than €500 should be paid at the time and claimed on your return. It is very important to obtain an itemised receipt for any monies paid for medical treatment. If you are admitted to a medical facility then you may need to pay the policy excess locally and ask the hospital or doctor to send the rest of their bills to **Foggs Travel Insurance Services, Crow Hill Drive, Mansfield, Notts NG19 7AE**. Our medical assistance service will explain this procedure to them and provide them with a faxed guarantee if necessary, once the validity of your claim has been established.

What happens if I miss my booked flight due to illness? Don't worry, provided you have contacted our medical assistance service your policy will be automatically extended to cover you until it is agreed that you are fit to travel home. Our **medical assistance service** will liaise with your treating doctor and you and once you are fit to travel, they will make appropriate alternative arrangements.

What if you want to come home early? - This policy covers you to come home early because you are ill only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact our medical assistance service on **+44 (0) 203 829 6585** for advice first. If you need to come home for any other reason, such as the illness of a close relative in your home country then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured as not all circumstances are covered by your policy. If you are not sure whether your particular circumstances are included in the cover then call **Foggs Travel Insurance Service on +44 0845 230 7135** between 9.00 am and 5.00 pm UK time for advice.
